### We're on the Move!!!

In June, after more than 30 years, Zalutsky & Pinski is moving. Don't worry. We're just moving 1 building over. We are excited to move to **111 W Washington, Suite 1550, Chicago, IL 60602**. With more and more people coming to our six satellite locations and the ever advancing technology, we are scaling back our flagship location. While the move may be short in distance, it is certainly long in advancement. This move will allow us to upgrade our computer and filing systems. This will lead to greater efficiency and even more reliability. Clients should notice a quicker response time. Not only in terms of case filing, but also with any document requests.

### 2014: A Time for Change

2014 is guaranteed to be a year of changes at Zalutsky & Pinski. We are pleased to share with you our first ever newsletter. Each quarter we will issue a new edition. It is designed to keep our current and former clients up to date with any changes to the law. We hope to highlight the common issues facing us all while also including helpful tips and reminders. Additionally, we want to make you all aware of the exciting changes and promotions that are taking place at Zalutsky & Pinski. We hope that this newsletter will help inspire feedback from you, our valued clients.

Here are some of the answers to your most frequently asked questions. If you have a question that you think others would like to have answered as well, give us a call or email us at [info@zaplawfirm.com](mailto:info@zaplawfirm.com). Don't be surprised if you find your question featured in our next issue. Each edition will answer new questions.

### 1. How often can I file bankruptcy?

A Chapter 7 can be filed once every 8 years, for those who qualify. As for Chapter 13, there are various rules and guidelines, but in general, a Chapter 13 can be filed whenever needed. The end results may be different depending on the timing, but the relief is still immediate.

### 2. Can I get my Driver's License back if I file bankruptcy?

Yes. We can help, in most cases, by filing under one of the various Chapters of the Bankruptcy Code depending on the reason your license is suspended.

## Life After Bankruptcy

Our clients always want to know if they will ever be able to get credit again. We want everyone to know that Bankruptcy is a beginning and not an end. We here at ZAP want to know what your life is like after getting your fresh start. Feel free to contact us and you may see your story featured in our next newsletter.

## New Partners; Old Values

Zalutsky & Pinski, Ltd. is very pleased to announce that Kerrie S. Neal, Thomas P. Twomey, and Alexander B. Tynkov officially became partners at the firm in December. Kerrie, Tom, and Alex have been working at the firm for nearly fifteen years and were hand-picked by Irwin Zalutsky and Ronald Pinski to take over the beloved firm they created some 50 years earlier.

Together with our great staff, we strive to make your experience at Zalutsky & Pinski as rewarding as possible. Each of our newest partners has successfully handled thousands of cases and is proud to say that they have spent their entire professional career right here at Zalutsky & Pinski, Ltd. While Irv and Ron may no longer be practicing, their belief that **everyone is entitled to a fresh start** remains.
